To assist those with hearing difficulties, and who use hearing aids, there is an induction loop installed in our Church and in the Octagon. This comes into operation when you move your hearing aid to 'T'.

Church Life Committee - Appeal

Dear Friends

We in the Church Life Committee have been searching for practical ways in which the congregation can implement our mission statement

“To know Christ and lovingly to make Him known”

Many of our friends and neighbours are suffering, and not only because of the effects of the financial crisis. Ill health, loss of employment or savings, bereavement. These can have a catastrophic bearing on lives and family.

How can we as a church help relieve some of this pain?

We have highlighted 4 areas of need in which we can play our part for God's Glory.

Food Clothing Visitation Transportation

Remembering the parable of the Good Samaritan it was decided to call this project **“Good Neighbours”**

Food - There are 2 shopping trolleys in the church. The plan is for anybody who wishes, to provide a tin of food and put it in a trolley. The food will then be distributed to people in need.

Clothing - We are also collecting good, clean children's clothing which can be put into the white boxes provided in the Link and Vestibule.

Everyone in our congregation can participate, and everyone can be blessed. The Good Neighbours project requires your support and prayers, and if you would like to be involved in its running and administration please contact:- Hope Gardiner, Iris Graham, Elma Johnston or any member of the Church Life Committee.
