Moderator | *Thank God for his presence and sustaining help during the General Assembly. As Dr Richard Murray takes up office as Moderator this week, ask God that he might have many opportunities to speak of Jesus in the year ahead.*

Worship in the family of God | *'How good and pleasant it is when God's people live together in unity!' Psalm 133:1. Give thanks that the local church is one of the few remaining places in our society in which people of different ages, backgrounds and perspectives come together as one and ask that this oneness in Christ might find expression in your worship today.*

Volker and Jinhyeog Glissmann, global mission workers, Southern Africa | *Give thanks to God for the amazing collaboration that helped to design and write a new course in record time. Pray for Volker and the team as they pilot this new course with numerous groups in order to gauge its effectiveness.*

The Presbyterian Church of East Africa (PCEA), Kenya | *Pray for every effort by PCEA congregations to support victims of the heavy rains, floods & landslides in Kenya last month, which took the lives of more than 200 people. Pray especially for those grieving and for the homeless attempting to rebuild their lives.*

Church planting, west Inishowen | *Rev Marty McNeely has been installed as minister in Fahan PC, whilst also exploring a new church plant in the nearby town of Bunrana. Pray that Marty will know the Lord's leading as he begins to connect with people and different community groups, and that other mature believers will be drawn to serve in this work.*

Mental health | *None of us knows when we or those around us will suffer from poor mental health. Resources are often difficult to source and mental health cases have risen significantly post pandemic. Pray for adequate funding for our Health Trusts to provide services in the community. Pray that God will be close to those suffering from mental health problems.*

Teachers | *As we approach the end of the school year give thanks for teachers. Pray that they will have a restful time off over the summer, and that they will get the rest they need to come back in September for the next academic year.*
