Dear Gordy,

On behalf of **Ashes to Gold OASIS**, thank you for sending Iris and Mae on Monday past with another delivery of food items following your harvest thanksgiving service. Please extend a sincere thanks to everyone who donated, and I'm so pleased to report that our Food Bank is now well stocked again!

Our emergency food bank is a lifeline for many of our clients who struggle to support their families. We are privileged to be able to provide this help, made possible through the generosity of partners like yourselves who share our compassion for those in need.

Wishing you and the congregation of **Ballywillan Presbyterian Church** God's richest blessing.
