Christian Aid Week

This Sunday marks the beginning of Christian Aid Week. The story this year features the needs of people like Fridah, a mother and grandmother who lives in Nairobi, Kenya. There, intense urban poverty robs parents of the ability to protect their children from hunger but with tools and training from "Beacon of Hope", a partner of Christian Aid in Nairobi, Fridah is able to grow vegetables in a small city plot which allows her to feed her children and earn an income. Christian Aid wishes to support families by providing the tools and training so that families can learn how to farm food, wherever they live. I thank the Kirk Session for giving permission for the distribution of envelopes which you will find in your pew. Thank you once again for supporting Christian Aid. **Sandra Carruthers.**
